

Your Age:

What do you think young people need to be *sexually healthy?*

1. What are the **TOP 3** issues affecting young people's sexual health? (please tick)

AVAILABILITY (of condoms, doctors for contraception, counselling support)

TRAVEL (lack of regular, reliable & affordable transport to access services)

PRIVACY (receptionists, supermarket staff & workers known to young people)

INFORMATION (lack of education about sexual health in schools & lack of up to date information)

COST (doctors' appointments, contraception, pregnancy testing, scripts)

COMMUNITY&PROFESSIONAL'S ATTITUDES (Embarrassment, fear or shame of family, community & refusal of doctor or pharmacist to supply contraception)

2. Circle what you think young people need to be sexually healthy

No STIs Sexually Transmitted Infections Support
